* Recruits in "hard-to-get" categories (scientists, engineers, TOTS, some economists, etc.) are reimbursed for travel and transportation expenses when they report for duty. This should not be confused with "in" Approved For Release 2001/05/01 : CIA-RDP80-01826R001100090056-4 interviews, pre-employment medical & polygraph - which is authorized for almost all candidates except clericals.
